

Susan Gordon

Profile

I have a passion for math and a love for teaching. I hope to transfer this enthusiasm to students and support them through the anxieties associated with learning.

Experience

HIGH SCHOOL TEACHER, COOPER CITY HIGH SCHOOL, COOPER CITY, FLORIDA - AUGUST 2020 - PRESENT

Facilitate all aspects of virtual, live, and hybrid classroom teaching in a Broward County Public School. I teach the EOC course, Algebra I, to mostly freshmen and a class I designed called Adulting 101 to juniors and seniors.

VIRTUAL MATH CAMP, ONLINE, SANTA CRUZ COUNTY SCHOOL DISTRICT - JUNE 2020

Assisted in online math teaching aimed at readying incoming sixth graders for the upcoming transition from elementary to middle school math.

STUDENT TEACHING, SOQUEL HIGH SCHOOL, SOQUEL, CALIFORNIA – FALL 2019 AND SPRING 2020

Participated in all aspects of a precalculus class, both live and virtually. Duties included assisting students, grading assignments, and presenting a lesson on the topic of limits to four precalculus classes.

STUDENT ASSISTANT, CABRILLO COLLEGE EARTH SCIENCES DEPT, APTOS, CALIFORNIA – 2014-2016

Assisted in Oceanography, Environmental Science, and Geology classes. Duties included tutoring students, grading assignments, and assisting students with developmental disabilities. Assisted in field work such as regional water testing and overnight outings for scientific research.

Education

University of California, Santa Cruz – Mathematics, BA, Math Education Concentration

Skills

Proficient in various virtual teaching platforms such as Microsoft Suite, Google Classroom, Canvas Network, Math Nation, Nearpod, and numerous others.
